Unleash Your Love

Find the Love of Your Life at the Humane Society of Central Oregon

The Humane Society of Central Oregon wants to help those who have been looking for love in all the wrong places. For those seeking unconditional love, someone to worship and “knead” you, the shelter staff is excited to help you meet your match.

To ensure that your Valentines Day includes a smooch from a pooch or a purr of contentment, the **Humane Society of Central Oregon’s Unleash Your Love promotion will have reduced fees on special guests through the month of February.** Help us empty our shelter so every animal is in a loving home on Valentines Day.

The Humane Society staff will match you with a companion who is excited to greet you, will keep you warm at night and gives kisses on command. There’s a friend waiting to savor days of long walks, naps, candlelight dinners and lying by the fire with you. There’s also a buddy for those seeking a partner to go on an adventure. There are plenty of companions anxiously waiting at the Humane Society who don’t mind being on a short leash or walking in your shadow.

Unleash your love and visit with the animals during the **Humane Society of Central Oregon’s Open House on Saturday, February 14 from 10 to 5.** Enjoy delectable refreshments for people and goodies for pets.

Have a heart and adopt the love of your life at the Humane Society of Central Oregon. Adoptions include a complete care package of spay or neuter surgery, first vaccination, health exam by local veterinarians, microchip, collar, ID tag and leash or carrying box and pet food.

The animal shelter is open Monday through Friday 10:00 am to 5:30 pm and Saturday 10:00 am to 5:00 pm and is located on SE 27th Street a half mile South of Reed Market Road. For more information call 382-3537 or visit www.hsco.org to see a sample of animals anxiously waiting for a new home.
